

COURSE COMPARISON

Exciting courses for every distance & ability.

A WORLD WITHOUT CANCER.

SEPT. 23 & 24, 2023

	DIFFICULTY LEVEL	ELEVATION CHANGE (ft.)	ROAD/ GRAVEL	DESCRIPTION	REFUELING STATIONS	FUNDRAISING COMMITMENT
THE BEAST (Approx. 100 Miles)	Epic	4,820	ROAD	The Beast is a century ride that should be on all serious riders' bucket lists. Expect several steep climbs including the Babler Beast, Little Tavern Road, Hunters Ford Road, and Greensfelder Road. You'll enjoy beautiful scenery all the way to Eureka and back, but you must be prepared for an extremely challenging course.	8	\$500
METRIC CENTURY (Approx. 68 Miles)	Advanced	2,417	ROAD	100 kilometers of excellent riding with spectacular scenery and climbing challenges. Be prepared for steep climbs on Ossenfort Road, Little Tavern Road and the Babler Beast (optional). This course has a little of everything - hills, scenery and plenty of rest stops. Training is recommended for this course.	6	\$500
GRAVEL GRINDER (Approx. 53 Miles)	Advanced	1,368	GRAVEL	Get ready to grind out some miles on the best gravel trails (and a couple roads) in the area! This gravel course features all the scenery of our road rides, with shady stretches along the Katy and stunning challenging romps on the paths through the Weldon Springs Conversation Area and Busch Greenway.	3	\$500
BIG HITTER (Approx. 49 Miles)	Intermediate	1,437	ROAD	This course has it all: rolling hills and distance as you enjoy the scenery and greenery of Wildwood and surrounding areas. The Big Hitter winds through Babler Memorial State Park and is great for intermediate riders who want a ride with moderate distance and elevation.	5	\$500
PEDAL PACER (Approx. 29 Miles)	Intermediate	518	ROAD	The Pacer is a gentle 29-mile road ride featuring over 8 miles atop the sunny Monarch Levee Greenway, showcasing the area's natural wetlands and bucolic scenery. This flat, scenic course is an excellent option for beginner and novice riders looking for a longer distance with low elevation.	3	\$375
PTC ROAD CLASSIC (Approx. 20 Miles)	Novice	396	ROAD	The PTC Road Classic is our most popular distance. This novice course goes through Chesterfield Valley and then loops around several miles of the Monarch Levee Trail (entirely closed to vehicular traffic), with the remainder of the course on open roads. Expect a fun ride with a few hills mixed in!	2	\$375
TED JONES KATY CLASSIC (Approx. 33 Miles)	Novice	1,029	GRAVEL	This novice course goes through Chesterfield Valley before looping through several miles of the Monarch Levee Trail (entirely closed to vehicular traffic). Then, experience the scenic beauty of the Katy Trail (also closed to all traffic). It's a great ride!	2	\$375
PTC CIRCUIT (Approx. 11 Miles)	Beginner	346	ROAD	Not sure about this whole cycling thing? Can't remember the last time you were on a bike? This is the course for you. This cruise to Spirit Airport and back is fun, has a refueling station, and is geared toward beginners who are eager to get back to Ride Village and celebrate!	1	\$375

Courses and refueling stations are subject to change. Please contact info@pedalthecause.org if you need to change the course you selected at registration.
